

BRITISH ASSOCIATION OF ART THERAPISTS
ART THERAPY FOUNDATION COURSE
THURSDAY EVENINGS – 12th January to 29th March 2012
6.15pm to 8.15pm

This course is intended for people who may consider Art Therapy as a career, and want to train as an Art Therapist. It is also useful for healthcare workers who want to gain a better understanding of Art within a care context. This course offers an opportunity to gain a deeper understanding of Art Therapy with different client groups, as all speakers are experienced Art Therapists presenting clinical work from their own art therapy practice. It also has an experiential element, as Art Therapy experiential workshops are also included. No previous formal experience of art making is required, but it is important to be prepared to take part in artwork. It will run on Thursday evenings from 6.15 pm to 8.15 pm, with **three Saturdays of experiential Art Therapy workshops**. The course will commence on Thursday, 12th January 2012 and the final date will be Thursday, 29th March 2012. The three experiential workshop Saturdays, which all participants are expected to attend, will be on the 4th, 18th February and 3rd March 2012 from 10.00am to 4.00pm

Fee: £420 (payment in 2 x £210 instalments may be arranged – one with current date and one dated 12th January 2012). The fee includes a course pack with selected articles.

If you wish to pay by credit card, please post or email this form and we will ring you for your card details.
