

FULL MEMBERSHIP

Full members must be qualified Art Therapists holding a PG Dip/MA/MSc in Art Therapy from a validated course in the United Kingdom and be registered with the Health and Care Professions Council (HCPC).

We strongly advise that members belong to a trade union which is affiliated to the Trade Union Congress. (BAAT recommends membership of Unite for Art Therapists working in the NHS or practising independently, UNISON for those working in Social Services and Prospect for members employed in the prison service).

To apply for membership of BAAT, please complete the form overleaf together with:

- the appropriate payment to BAAT (tax deductible)
- photocopy of the Art Therapy Qualification or confirmation of graduation

Please send your application with your signature to our office address 24 – 27 White Lion Street, London N1 9PD or E-mail scans to bettina@baat.org

Once your membership has been processed, you will be emailed a confirmation with details on how to log in to access the members' area. Please go to 'my employment details' and fill in information you wish displayed about yourself in the BAAT directory. There is a separate application procedure for members wishing to be listed as BAAT Accredited in Private Practice and as a BAAT Accredited Supervisor. You can find both application forms on the BAAT website in the members area under 'Private Practice'.

Benefits:

As a full member you will receive the International Journal of Art Therapy: Inscape (IJAT), which is published quarterly online and emailed twice a year as a double issue, and 'Newsbriefing', the bi-annual newsletter of the Association and our frequent e-bulletins with news of jobs, events, courses, etc. You will get access to the members-only section of the BAAT website, where you will find help, advice and resources to help you in your professional career, including packs such as 'Note writing and the law', 'Off the Peg Audit Handbook' and the BAAT Research library. You will be able to attend BAAT local group and Special Interest Groups meetings. Full members will be eligible for a reduced rate for the regular CPD courses and conferences run by BAAT. You will be able to benefit from the BAAT Members Rewards Scheme (accessible from the BAAT members' area) and save money at major retailers and on services such as insurance, travel, etc.

You will have free access to the BAAT 'whistle blowing' advice helpline.

Data Protection:

By signing up to a BAAT membership, you are giving consent for BAAT to send you information and publications, which are detailed on your membership benefits and to hold your information according to the new GDPR guidelines (May 2018). We will refresh your consent when you renew your membership

Please note that if you do not renew your membership on time and it is lapsed, all your BAAT membership data will be deleted, as we will no longer have your authorisation to keep it. This means that if you wish to re-join BAAT, you will need to start a new application as we are not able to reactivate expired memberships.

This will have implications on our ability to confirm past payments for membership for tax purposes: if you leave BAAT, we will no longer hold any of your details on our database.
