 Lift 45 White Lion St, London N1 9PW

6.30pm to 8.30pm

SATURDAYS:- 19TH October, 2ND November, 16TH November at two venues (see below)

This course is intended for people who may consider Art Therapy as a career, and want to train as an Art Therapist. It is also useful for healthcare workers who want to gain a better understanding of Art within a care context. This course offers an opportunity to gain a deeper understanding of Art Therapy with different client groups, as all speakers are experienced Art Therapists presenting clinical work from their own art therapy practice. It also has an experiential element, as Art Therapy workshops are also included. No previous formal experience of art making is required, but it is important to be prepared to take part in artwork.

It will run on Thursday evenings from 6.30 pm to 8.30 pm, with **three Saturdays of experiential Art Therapy workshops**. The three experiential workshop Saturdays, which all participants are expected to attend, will be on **19th October 2nd of November and 16th November 2019 (10am to 4pm)**

Fee: £500. The fee includes a course pack with selected articles and refreshments are provided. To book please go to www.baat.org.
